and then passed the ball to Wong, who made 15 yards. Failing to make their yardage, the high school team and the ball went over the line, where it was recovered by the town team. Liu and Hart brought the ball back to the center of the field, where the ball went over to the high school. The high school team on downs and again the pigskin changed hands. Rosa, Liu and Hart worked hard at this stage of the game and soon the ball was well within the high school territory. For two downs the high school held the Townies back, and then Hart broke away and carried the leather over the line for a touchdown. Hart then kicked goal and the score stood 12 to 19 in favor of the town team. The town team kicked to the high school, which aggregation had the ball in the center of the field when the whistle blew announcing the close of the game.

DARKNESS IS
END OF REAL
BALL BATTLE

full. It was then that Dreier came through with his history-making swing and the game was even up.

Close Call
In the eighth, with two gone, Chillingworth got to first on a real hit, and then stole two bases in big league style. Ayau almost got to first on a hit to short, but not quite. Again in the ninth the Hawaiis made a great try for the game. It was only by a magnificent stop that Williamson threw Franco out at first. Joy was walked, and Dreier hit safely. Hughes popped to the pitcher, and Asam ended the game by going out to Flizer unassisted.

Tony Medeiros pitched a nice game for the Portuguese, being touched for five hits, no two of which came in the same frame. He didn't strike out a man, but he kept the batters puzzled with his quick return ball, and had them grounding to the infielders or sending them well skyward most of the time.

There were a number of close decisions at second, men of both teams being called safe repeatedly, when the ball seemed to reach the basemen well ahead of the runner. As a matter of fact, the runners were all sliding in under the throw, and umpire Bruns was right in every case, although it looked to some people as though he were unduly favoring his runners.

SNAPPY GAME

SEES PUNAHOU

DEFEAT CADETS

(Continued from page nine)

her 20-yard line only to have the cadets kick it back to them after two unsuccessful plays. Harry Baldwin reeled off five yards and another good gain by Staff. Austin gave Punahou a first down. Two fumbles and a short gain by Austin forced Punahou to kick. Correa receiving the pigskin and being downed at once. Brown was run through the line for a total gain of five yards, but the backs were not able to make another five yards and the ball went to Kamehameha on downs. Correa was pushed back by Pong for a loss of four yards and the leather was fumbled just before the whistle blew, ending the first half, with the score 7 to 2 in favor of O. C.

The Oahus opened the second period by kicking to Ellis, who was not downed until he had reached the middle of the field. A short gain by Manoha and some good tackling by Brown, who was playing end on the defense, and Manoha ordered a kick. "Sleepy" Baldwin ran 18 yards before he was nailed and Punahou held the leather on her 40-yard line. Kamehameha recovered the visitors' fumble and started down the field with two good gains by Napihaa. Their progress was stopped by Brown, who tackled Manoha for a loss. The following play was a pretty forward pass, which gave the cadets a first down in good distance from their opponents' goal. O'Dowda recovered the Kams' fumble and Punahou could not make anything, so the ball was kicked. Manoha was not satisfied with two short gains by Correa and Napihaa and so he ordered the leather booted again. A couple of short gains and a forward pass by Punahou and the third quarter came to an end with the score the same.

The last quarter saw the ball change hands many times near the center of the field. The cadets worked a neat pass and at times did some good work on the offense. Punahou had the ball most of the period as usual, but was unable to score. Harry Baldwin reeled off his 60-yard run in this quarter, and, in addition, made a neat run of 15 yards. Three minutes before the final whistle Oahu held the ball 15 yards from the Kam goal. In three bucks 10 yards were made and it looked like another touchdown, but the referee penalized Punahou five yards. It seems that Inman had shifted from the line to the backfield and back again without the permission of the referee. A forward pass was tried and landed behind the goal so the cadets were given the ball on their 20-yard line. After a kick by both teams the game came to an end with Punahou in the lead, the final score being O. C. 7, Kams 2.

POULTRY RAISING
PROSPECTS GOOD IN
SOUTH AUSTRALIA

(By Latest Mail)

ADELAIDE, South Australia.—Although poultry keeping is generally regarded as one of the side lines of the farmer, an increasingly large number of persons in South Australia have adopted it as their sole business, with the result that the industry has attained substantial dimensions.

The climate of the state is suitable for all kinds of poultry, and as one result of the egg-laying competitions there has been evolved laying strains of white leghorns which have attracted world-wide attention and demand. For many years the state has been the largest exporter of eggs in the commonwealth, and in the opinion of the government poultry expert the prospects for the industry were never brighter than at present.

A return issued by the government station shows that the number of poultry in the state in 1912 was 1,498,496, of which 1,281,880 were fowls. The value of the poultry and egg production for the year is set down at £541,489.
